

What do you like doing?

Kadar bi nekomu radi povedali, kaj imamo radi in kaj ne, uporabljamo naslednje izraze:

- **Like:** rad.
- **Love:** zelo rad, ljubim.
- **Don't like:** ne maram.

Kadar uporabimo te izraze, poved tvorimo tako, da glagolu dodamo **-ing**.

I like play + ing football. → I like **playing** football.

Če je na koncu besede **-e**, potem ta **-e** odpade. Nadomesti ga **-ing**.

BAKE

I like ~~bakeing~~. → I like **baking**.

Če je beseda kratka, se včasih zadnja črka podvoji: I like **running**, I don't like **swimming**.

What does he/she/it like doing?

She **likes** running.

She **loves** eating.

She **doesn't like** cooking.
